REQUEST TO CORRECT INVENTORSHIP UNDER 37 C.F.R. § 1.48(a)

Applicant hereby requests that Qiang Lu be removed as an inventor from U.S. Patent Application No. 10/597,022, filed on June 18, 2007. Further discussion with named inventor Ching-shih Chen and investigation of the grant proposal that served as the basis for the invention revealed that Qiang Lu was in fact not an inventor. Such error was inadvertent and arose without any deceptive intent on the part of the Assignee and the parties in the instant application. Accordingly, Ching-shih Chen should be listed as the sole inventor for this application.

In accordance with 37 C.F.R. § 1.48(a), attached are:

- A declaration by the actual inventor as required by 37 C.F.R. § 1.63; and
- Written consent of the assignee to correct inventorship with a Statement under 37 C.F.R. § 3.73(b).

A statement by Qiang Lu that the error in inventorship occurred without deceptive intent is not included. Instead, a petition under 37 CFR 1.183 requesting waiver of this requirement is included.

The required processing fee under 37 C.F.R. § 1.17(i) is authorized to be charged to deposit account number 03-0172. Also attached is a corrected Application Data Sheet under 37 C.F.R. § 1.76. Approval of this Request and the deletion of Qiang Lu as an inventor is respectfully requested.

In the event the Commissioner should decide that any additional fee or fee deficiency is due, the Commissioner is hereby authorized to charge any and all fees incurred as a result of entering or considering this document to deposit account number 03-0172, order number 22727/04418.

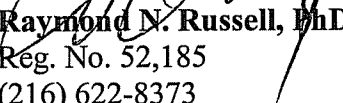

Respectfully submitted,
